Call Conditions Section 3.3 “Eligibility of costs and cost categories” part a)	<p>The following categories of eligible costs can be covered by the lump sums contributions:</p> <ul style="list-style-type: none"> A. Direct personnel costs: <ul style="list-style-type: none"> A.1 Employees (or equivalent) person months B. Purchase costs: <ul style="list-style-type: none"> B.1 Travel and subsistence per travel or per day B.2 Other goods, works, and services C. Other costs <ul style="list-style-type: none"> C.1 Subsidised employment D. Indirect costs³³ <p>To be eligible, costs must:</p> <ol style="list-style-type: none"> 1. Be attributed to the beneficiary; 2. Be related to the duration of the implementation period of the project (except for costs related to the submission of the Final Report of the project); 3. Be estimated in eligible cost categories; 4. Be linked to and necessary for the implementation of the project, i.e., to achieve the objectives of the project; 5. Be established in accordance with the usual cost accounting practices of the beneficiary; 6. Comply with the applicable national and EU legislation, accounting and public procurement rules under the applicable national law; 7. Be reasonable and justified and must comply with the principles of sound financial management, in particular in terms of economy and efficiency. <p>Indirect costs will be defined in the application as a flat rate of 7% of the total eligible direct costs (i.e., total amount of A+B+C categories).</p> <p>The budget categories and cost eligibility rules are fixed in the Grant Agreement (Article 6 and Annex 2).</p>	<p>The following categories of eligible costs can be covered by the lump sums contributions:</p> <ul style="list-style-type: none"> A. Direct personnel costs: <ul style="list-style-type: none"> A.1 Employees (or equivalent) person months* B. Purchase costs: <ul style="list-style-type: none"> B.1 Travel and subsistence per travel or per day B.2 Other goods, works, and services C. Other costs <ul style="list-style-type: none"> C.1 Subsidised employment D. Indirect costs³³ <p>* Please note, that project coordination/management Work Package activities are core activities led by the project coordinator, and only staff costs incurred by the coordinator can be claimed for project coordination/management under the direct cost categories. Other co-applicants should not include their staff costs into the direct cost categories (to the coordination/management Work Package).</p> <p>To be eligible, costs must:</p> <ol style="list-style-type: none"> 1. Be attributed to the beneficiary; 2. Be related to the duration of the implementation period of the project (except for costs related to the submission of the Final Report of the project); 3. Be estimated in eligible cost categories; 4. Be linked to and necessary for the implementation of the project, i.e., to achieve the objectives of the project; 5. Be established in accordance with the usual cost accounting practices of the beneficiary; 6. Comply with the applicable national and EU legislation, accounting and public procurement rules under the applicable national law; 7. Be reasonable and justified and must comply with the principles of sound financial management, in particular in terms of economy and efficiency.

		<p>Indirect costs will be defined in the application as a flat rate of 7% of the total eligible direct costs (i.e., total amount of A+B+C categories).</p> <p>The budget categories and cost eligibility rules are fixed in the Grant Agreement (Article 6 and Annex 2).</p>
Annex 6 Declaration of honour for beneficiaries point 4	During the implementation of the project My organisation will make co-financing contribution not less than 20 %, towards the eligible costs of the project that are not covered by the project funding and any other costs (including non-eligible costs) necessary for the implementation of the project. The contribution will be financed from own resources and will not be financed by other funds supported by the European Commission.	During the implementation of the project My organisation will make co-financing contribution not less than 20 %, unless otherwise specified in the consortium agreement , towards the eligible costs of the project that are not covered by the project funding and any other costs (including non-eligible costs) necessary for the implementation of the project. The contribution will be financed from own resources and will not be financed by other funds supported by the European Commission.
